

Common Cause

Initiative Reform

California Common Cause is committed to reforms that will:

- ✓ Improve the qualification process to encourage citizen-driven initiatives;
- ✓ Create a process to review and allow initiatives to be improved or amended or removed;
- ✓ Remove partisanship or other interests from the drafting of title & summary, voter information, and management of elections;
- ✓ Improve voter information.

Citizen Review Board? Signature Technology? Improved Disclosure?

California Common Cause is convening stakeholders in 2013 to talk about how the initiative process can be improved.

- **How should initiatives be qualified?**
 - Downloadable petitions?
 - Digital Signatures?
 - Limits on paid signature gatherers?
 - Changed period for signature gathering?
- **Should initiatives be reviewed?**
 - Review by citizens, judges, legislators?
Others? Hybrid?
 - Should the proponents be able to remove the initiative from the ballot?
 - Can the review provide valuable voter information?
- **Can voter information be improved?**
 - More disclosure about initiative backers?
 - Title and Summary drafted by non-partisan source?
 - Customizable Voter Guide?
 - Voter info in different formats?
